Product Description

Household Rotary Air Dehumidifier With Child Lock

Introducing the advanced Rotary Wheel Dehumidifier, a powerful and versatile appliance designed to tackle high humidity levels while offering additional features for a healthier living environment. With a generous water tank capacity of 5.8 liters, this dehumidifier is capable of efficiently managing moisture in larger spaces and can even be used to dry clothes, making it an all-in-one solution for your home. The ample capacity of the water tank ensures that the dehumidifier can operate for extended periods without frequent emptying, providing convenience and efficiency. In addition to its primary dehumidifying function, this appliance features a clothes drying mode. It can be used to dry garments in a more controlled and gentle manner, reducing the risk of damage and extending the life of your clothes.

Product Specification
