Electric Food Waste Composter Home Use Compost Kitchen Machine

Basic Information

- Place of Origin: China
- Brand Name: Envitek
- Certification: ETL CB EMC LVD ERP
- Model Number: FW300-A1
- Packaging Details: color box+master carton
- Delivery Time: 30
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 10000 PCS/MONTH

Product Specification

- Item: Electric Kitchen Composter
- Materia: ABS
- Capacity: 2.5L
- Color: White
- Advantage: One Button Start
- Net Weight: 10kg
- Highlight: **Home Use Food Waste Composter**,
  Electric Food Waste Composter,
  Kitchen Machine Food Waste Composter

Electric Food Waste Composter Home Use Compost Kitchen Machine

Product Description

The Food Waste Disposer is a revolutionary device. It transforms kitchen waste into fertilizer within 4 - 8 hours with just one-button operation. By automatically calibrating the working time according to the waste's moisture, it streamlines kitchen work and shortens cleaning time, which is beneficial for environmental protection.

The operation process includes three steps. Drying: using high heat to extract moisture from the waste for decomposition. Grinding: rapidly rotating blades to pulverize the waste to make fertilizer. Cooling: after grinding, the bucket cools down to allow for safe removal.

Product Specification:

Model	FW300-A1
Sound Level	<=55 dB(A)
Power	500 W
Capacity	2.5L
Product size	L318*W255*H317.7mm
Filter	Activated Carbon

Product Features:

* Turn your waste to fertilizer by 2-4 hours

* Transparent Glass Cover,check the residue conversion status at any time

* Drying-Grinding-Cooling, three steps reduce volume of your waste by up to 95%

* Activated carbon filter remove smell

* Fashion design makes it great to fit your countertop

* One button start, auto adjust the working time according to the water content of your waste.

* 2.5L capacity enough to cover your whole family food waste for one day
