- Net Weight: 11kg
- Material: ABS
- Working Mode: Drying-Grinding-Cooling
- Highlight: **big capacity food waste composter, kitchen food waste composter**

Product Description

Hey there, kitchen warriors! Sick of wrestling with piles of stinky food waste? We've got the ultimate hero for your kitchen struggles – our amazing Food Waste Composter!

In just 4 - 8 hours, it's like a little wizard that turns all those leftover veggies, fruit peels, and bread crusts into awesome fertilizer for your garden. No more wasting money on store - bought stuff! The drying - grinding - cooling combo it has is super cool. It squishes down food waste by a whopping 90%, so your kitchen bin stays emptier for longer. Win - win!

Big family? No problemo! Our composter has a 4.5L capacity, big enough to handle all the food scraps from a huge family dinner. It's like a bottomless pit for your leftovers!

And the smell? Don't even worry about it! Our advanced odor control with a big, powerful activated carbon filter is like a magic deodorizer. It kicks other products' butts when it comes to keeping your kitchen smelling fresh.

Check out the smart LCD display! It's like a little dashboard that shows you filter life, carbon emissions, and how much power it's using. You can be an eco - superstar and know exactly what's going on.

Operating this bad boy is a piece of cake. It's got intelligent modes, and you can control it with an app. So, whether you're in the living room binge - watching or in the middle of cooking a storm, managing food waste is as easy as 1 - 2 - 3.

The fermentation function makes top - notch compost, and the self - cleaning feature? Total game - changer! No more scrubbing and sweating over a dirty composter.

Get our Food Waste Composter today and start slaying food waste like a pro!
